

PART 12 METER TESTS

12-1 GENERAL PROVISIONS – A consumer may request the District to test the meter serving it premises. The consumer shall deposit an amount to cover the reasonable cost of such tests. The consumer may have the test conducted in their presence and written report of the test will be given to the consumer if so desired.

12-2 ADJUSTMENT OF BILL:

12-2.1 METER REGISTERING FAST – If a meter tested is found to be registering more than five (5) percent fast, another meter will be installed and the District will refund to the consumer the deposit plus the amount of the over-charge based on corrected meter-readings of the period the meter was in use, but not to exceed a period of four months immediately preceding the request for the meter test.

12-2.2 METER REGISTERING SLOW:

12-2.2.1 METER SIZE 2" OR LESS – If a meter tested is found to be registering more than twenty-five (25) percent slow, the District may bill the consumer for the amount of the undercharge based upon corrected meter readings for the period the meter was in service, but not to exceed a period of two (2) months immediately preceding the request for the meter test.

12-2.2.2 METER SIZE GREATER THAN 2 INCHES – If a meter test is found to be registering more than five (5) percent slow, the District may bill the consumer for the amount of the undercharge based upon corrected meter readings for the period the meter was in service but not to exceed a period of two (2) months immediately preceding the request for the meter test.

12-2.3 METER REGISTERING ACCURATELY – If a meter tested is found to be registering accurately, within the limits prescribed above, the consumer's deposit will not be refunded.
