

BEAUMONT-CHERRY VALLEY WATER DISTRICT

Service • Quality • Stewardship

Welcome to Beaumont-Cherry Valley Water District (BCVWD)! Formed in 1919, we provide safe, reliable water to families, households and businesses in a 28 square mile service area, with a population of nearly 55,000.

Bringing water to your home takes more than just pumping it through pipes. Your water comes from multiple sources, including local groundwater and imported State Water Project water. It is delivered to your tap via a complex system of wells, reservoirs and pipelines.

At BCVWD, we are committed to responsibly managing our water resources and delivery systems. Our team is dedicated to ensuring you continue to receive dependable, high-quality water at the lowest possible cost - now and into the future.

We look forward to serving you!

Governance

BCVWD is governed by a five-member Board of Directors, elected by local citizens. The Board meets at **6 p.m.** the **2nd Wednesday** and **4th Thursday** of every month, unless otherwise noted, at 560 Magnolia Avenue in Beaumont.

Meetings are open to the public and you are encouraged to attend.

HOW DO I...?

START Service

YOU WILL NEED:

1. Start Service Application (available at bcvwd.org or District headquarters).
2. Clear copy of applicant's photo ID.
3. **\$5** processing fee for a soft credit check, which will determine security deposit amount. **Deposits** are \$0, \$150 or \$250.
4. **The following documents:**

New Owner – Copy of closing/settlement statement or grant deed.

Renter – Copy of signed rental/lease agreement including the property owner's name and phone number. The property manager or property owner must sign the tenant's Start Service Application.

Agent – A copy of the listing agreement or other written authorization from the seller.

IN-PERSON – Visit our headquarters at 560 Magnolia Avenue in Beaumont. Cash is accepted for in-person payments.

PAYMENT DUE DATES

The bill for service is due and payable upon receipt. A bill will become delinquent if it is not paid within 15 days of the billing date. A second notice will be mailed on the 31st day after the bill was issued and will include a \$5 penalty fee. Payment on the second notice will be due within 15 days.

If payment is not received, a final written notice will be mailed with a penalty charge of \$5 and a due date for the 60th day after the original bill was due. If payment for the balance on the account is not received by 5 p.m. on the 60th day, the account will be inactivated, and an inactivation fee may be applied.

DISCONTINUATION OF SERVICE (water shutoff)

On the morning of the 61st day of delinquency, the District may discontinue service until all outstanding charges, including penalties and fees, if any, are paid in full. The District will make a reasonable, good faith effort to contact the customer in writing at least thirty (30) calendar days before discontinuation of water service for non-payment.

A customer who is financially unable to pay their water bill within the normal payment period may request a payment plan to avoid having their water shut off. For more information, visit bcvwd.org/documents/sb-998.

The District is not responsible for lost or stolen mail. For additional payment details, including returned checks and change in ownership, visit bcvwd.org/other-payment-methods.

As a not-for-profit public agency, BCVWD is not legally allowed to make a profit. BCVWD cannot charge more than the actual cost of providing water service.

Who is Responsible?

There is often confusion as to who is responsible for the water pipes and devices that provide service to your home or business. Property owners are responsible for the pipeline between the building and the water meter, as well as internal and external plumbing. BCVWD is responsible for the pipeline between the meter and the main water line in the street, and for the meter itself (unless a customer tampers with or breaks the meter).

Water meters are in a small, rectangular box in the ground close to where the main water line is located, usually near the street at the front of your property.

See a Leak?

To report a leak at the main line or a water emergency, call 951-845-9581 and select option 9. Our emergency field staff will respond as quickly as possible.
