Beaumont-Cherry Valley Water District Office Reopening to the Public *COVID-19 safety protocols will remain in place to protect customers and employees*

Beaumont, CA – The Beaumont-Cherry Valley Water District (BCVWD) administrative office located at 560 Magnolia Ave. in Beaumont will reopen to the public on a limited basis beginning Tuesday, April 20, 2021.

The lobby will be open and District employees will be available to receive customer payments, answer questions, and meet with developers and their representatives from 8:00 a.m. to 12:00 p.m., Tuesday and Thursdays.

Customers can make an appointment or visit the office during the hours specified. Customers will be admitted to the lobby three at a time. Masks are required and social distancing guidelines will be enforced.

Developer appointments can also be made ahead of time by calling (951) 845-9581 during the hours of 8:00 a.m. to 5:00 p.m., Monday through Thursday.

“At BCVWD, we are committed to keeping our employees and customers safe,” said President Daniel Slawson, on behalf of the Board of Directors. “We are excited to reopen our office to the public, and we ask customers to follow the COVID-19 safety protocols we have put in place.”

Due to the impacts of the COVID-19 pandemic and Governor Gavin Newsom’s stay-at-home orders, the District office closed to visitors in March 2020. BCVWD is committed to providing safe, reliable service and pivoted its operations to continue to meet customer needs while also ensuring the safety of its employees and the community.

As the state experiences a decline in COVID-19 cases and businesses begin to reopen, the Board of Directors determined it would be appropriate to reopen the BCVWD lobby in a safe manner. The District will continue to monitor the COVID-19 situation and make adjustments as necessary.

To make an office appointment, call (951) 845-9581 between 8:00 a.m. and 5:00 p.m., Monday through Thursday. To learn more about BCVWD, visit bcvwd.org.
