

**BEAUMONT-CHERRY VALLEY WATER DISTRICT
AGENDA
REGULAR MEETING OF THE BOARD OF DIRECTORS
560 Magnolia Avenue, Beaumont, CA 92223
Wednesday, April 12th, 2017
Regular Session 7:00 p.m.**

Call to Order, President Slawson

Pledge of Allegiance, Director Ramirez

Invocation, Director Hoffman

Roll Call

Public Comment

PUBLIC COMMENT: At this time, any person may address the Board of Directors on matters within its jurisdiction which are not on the agenda. However, any non-agenda matters that require action will be referred to Staff for a report and possible action at a subsequent meeting. To provide comments on specific agenda items, please complete a speaker's request form and provide the completed form to the Board Secretary prior to the Board meeting. Please limit your comments to three minutes. Sharing or passing time to another speaker is not permitted.

ACTION ITEMS

1. Adjustments to the Agenda

2. Consent Calendar: All matters listed under the Consent Calendar are considered by the Board of Directors to be routine and will be enacted in one motion. There will be no discussion of these items prior to the time the Board considers the motion unless members of the Board, the administrative staff, or the public request specific items to be discussed and/or removed from the Consent Calendar.

- a. February 2017 Budget Variance Report Review** (pages 3-7)

- Proposition 1 Bond Opportunities

11. Adjournment

** Information included in the agenda packet

AVAILABILITY OF AGENDA MATERIALS - Agenda exhibits and other writings that are disclosable public records distributed to all or a majority of the members of the Beaumont-Cherry Valley Water District Board of Directors in connection with a matter subject to discussion or consideration at an open meeting of the Board of Directors are available for public inspection in the District's office, at 560 Magnolia Avenue, Beaumont, California ("District Office"). If such writings are distributed to members of the Board less than 72 hours prior to the meeting, they will be available from the District Office at the same time as they are distributed to Board Members, except that if such writings are distributed one hour prior to, or during the meeting, they can be made available from the District Office in the Board Room of the District's Office.

REVISIONS TO THE AGENDA -In accordance with §54954.2(a) of the Government Code (Brown Act), revisions to this Agenda may be made up to 72 hours before the Board Meeting, if necessary, after mailings are completed. Interested persons wishing to receive a copy of the set Agenda may pick one up at the District's Main Office, located at 560 Magnolia Avenue, Beaumont, California, up to 72 hours prior to the Board Meeting.

REQUIREMENTS RE: DISABLED ACCESS - In accordance with §54954.2(a), requests for a disability related modification or accommodation, including auxiliary aids or services, in order to attend or participate in a meeting, should be made to the District Office, at least 48 hours in advance of the meeting to ensure availability of the requested service or accommodation. The District Office may be contacted by telephone at (951) 845-9581, email at info@bcvwd.org or in writing at the Beaumont-Cherry Valley Water District, 560 Magnolia Avenue, Beaumont, California 92223.

**BEAUMONT-CHERRY VALLEY WATER DISTRICT
AGENDA
MINUTES OF REGULAR MEETING OF THE BOARD OF DIRECTORS
560 Magnolia Avenue, Beaumont, CA 92223
Wednesday, March 8th, 2017
Regular Session 7:00 p.m.**

Call to Order, President Slawson

President Slawson began the meeting at 6:59 p.m.

Pledge of Allegiance, Director Covington

Director Covington led the pledge.

Invocation, Director Ramirez

Director Ramirez led the invocation.

Roll Call

Present at the meeting were: President Slawson, Director Covington, Hoffman, and Director Ramirez. Legal Counsel: James Markman. District Staff: General Manager: Eric Fraser, Director of Engineering: Dan Jagers, Director of Operations: Anthony Lara, and Director of Finance and Administrative Services: Yolanda Rodriguez.

Public who registered their attendance were Patsy Reeley, Barbara Brown, Mark Swanson, and Fran Flanders.

Public Comment

Ms. Judy Bingham thanked the District for promptly replying to her latest records request. She reminded the Board of Directors that she is still waiting for their records from her request in January.

ACTION ITEMS

1. Adjustments to the Agenda

There were no changes to the Agenda.

- 2. Consent Calendar:** All matters listed under the Consent Calendar are considered by the Board of Directors to be routine and will be enacted in one motion. There will be no discussion of these items prior to the time the Board considers the motion unless members of the Board, the administrative staff, or the public request specific items to be discussed and/or removed from the Consent Calendar.

- a. January 2017 Budget Variance Report Review** (pages 4-8)
- b. January 31st, 2017 Cash/Investment Balance Report** (page 9)
- c. February 2017 Check Register Review** (pages 10-24)

- d. February 2017 Invoices Pending Approval**(pages 25-26)
- e. Minutes of the Regular Meeting February 8th, 2017**(pages 27-30)

Director Ramirez requested item 2d be pulled for discussion. Director Covington motioned to approve items 2a through 2c and item 2e of the Consent Calendar. The motion was seconded by Director Hoffman and passed 4-0.

Director Ramirez requested a copy of the entire February 2017 legal invoice be sent to him with the next Board packet. Legal Counsel Markman advice Board members that invoices are available for review at any time at the District Office.

Director Ramirez motioned to approve item 2d of the Consent Calendar. The motion was seconded by Director Hoffman and passed 4-0.

- 3. Acceptance of the resignation of Director Nathan Douglass from the Board of Directors of the Beaumont-Cherry Valley Water District effective February 20, 2017 and determine whether to fill the vacancy by "Appointment" or by calling for an "Election" as provided in Government Code Section 1780.** (pages 31-34)**

Legal Counsel Markman explained the process and timeline for an election or an appointment for the new vacancy in Division 2.

General Manager Fraser demonstrated on the overhead the boundaries of Division 2.

After discussion, Director Hoffman motioned to appoint a candidate, requested the Notice of Interest to Serve on the Board of Directors be posted at several locations and a quarter page advertisement in the Record Gazette and the Press Enterprise newspapers, with an advertising budget not to exceed \$5,000.00. The motion was seconded by Director Ramirez and passed 4-0.

- 4. Appointment of Association of California Water Agencies Joint Powers Insurance Authority (ACWA/JPIA) Alternate Representative.** (pages 35-76)**

After discussion, President Slawson appointed Director Ramirez as the ACWA/JPIA Alternate Representative to serve on the ACWA/JPIA Board of Directors.

- 5. BCVWD 2017 CIP Budget & Ten-Year CIP Plan.** (pages 77-122)**

General Manager Fraser gave an update on the final 2017 CIP Budget and Ten-Year CIP Plan.

Director Hoffman motioned to approve the BCVWD 2017 CIP Budget & Ten-Year CIP Plan. The motion was seconded by Director Covington and passed 4-0.

- 6. Consideration of Conducting an Employee Satisfaction Survey.** (pages 123-129)**

Director Covington, Chairman of the Personnel Committee, gave an overview of the Personnel Committee meeting which took place on February 22, 2017.

He shared that the Personnel Committee recommended an employee satisfaction survey be conducted using Survey Monkey. He shared that the purpose of the survey is to get a feel for the overall health of the District and understand the needs and concerns of the employees. He stated that the survey will be confidential and the results of the raw data would be discussed at the next Personnel Committee meeting as well as providing copies to all board members.

Director Ramirez motioned to approve the Personnel Committee to move forward with conducting an Employee Satisfaction Survey. The motion was seconded by Director Hoffman and passed 4-0.

7. Consideration of Request for “Annexation and Will Serve Letter” for a proposed Office and Warehouse Commercial Development located on Riverside County Assessor’s Parcel No. (APN) 417-220-009 (Parcel 9, Parcel Map No. 26348). (pages 130-139)**

General Manager Fraser gave an overview of the Annexation and Will Serve Letter request.

Director of Engineering explained the logistics of the parcel.

After discussion, Director Ramirez motioned to approve the Annexation and Will Serve Letter request. The motion was seconded by Director Hoffman and passed 4-0.

8. Consideration of Request for Update of “Will Serve Letter” for Commercial Development Infill Parcel Associated with Pardee Sundance Community (Originally Deutsch Property “Will Serve and Annexation”) (Infill Parcel - Riverside County Assessor’s Parcel No. 419-020-059). (pages 140-153)**

General Manager Fraser gave an overview of the request for the updated Will Serve Letter, which was included in the original Water Improvement Plan back in 2008.

Director of Engineering Jagers shared that representatives from Pardee Homes and the applicants were in attendance, he also shared with the Board of Directors a copy of the planned development provided by the representatives.

Director Ramirez shared that he was pleased with staff in including the landscaping and water conservation conditions that must be met prior to final project development.

Director Covington motioned to approve the Updated Will Serve Letter. Motion was seconded by Director Ramirez and passed 4-0.

9. Groundwater Recharge Facility Maintenance Update (Oral Report by Director of Operations Lara).

Director of Operations Lara gave an overhead presentation in which he shared the history of Phase I and Phase II. He shared and compared the activities of the facilities in 2014 and 2015 to last year. He stated that in 2014 and 2015 combined recharged in Phase I and Phase II was 7,178 AF annually, with an average daily flow of about 4,700 gallons per minute. He stated this was based on eleven months of operations. In comparison to 2016 the annual acre feet

was 9,951 and an average daily water flow of 4,800-11,200 gallons per minute, in a nine month period. He shared that this is the most water ever recharged in the facilities.

Director of Operations Lara explained that extensive maintenance is done during the system shut down and routine maintenance is done throughout the year during delivery cycles. He explained that some of the reasons for maintenance during the year are due to reduction in percolation rates seen in the fall, and algae growth in the warm summer months. He also explained the maintenance process.

Director of Operations Lara shared that there were changing conditions in 2016, such as an increased in flow rates, which were one-and-one half times higher than the highest ever experienced by the facilities. He shared that there was unusual algae growth in the fall months with a decrease in percolation. He shared that some of the causes were due to the introduction of fine materials caused by the increased flow to the State Water Project system and an increased algae growth due to water quality from the State Water Project. He went on to explain the process for maintenance and soil sample testing. He closed by sharing that staff continues monitoring and chemically treating the water to keep algae at a minimum and improve percolation rates.

10. Reports For Discussion

a. Ad Hoc Committees

No reports were made.

b. General Manager

General Manager Fraser followed up Director of Operations Lara's presentation and stated that all the work is done in-house and it's very cost effective in comparison if the District had a conventional treatment plant. He shared that copper sulfate is being used for the treatment of algae control.

General Manager Fraser shared the current flow into the facility information displayed on the District's website. The website demonstrates how much water is being taken in the ponds. He shared that the facilities are taking an increased amount of water which the facilities have historically never experienced. He shared that the average water inflow today is 10.2 million gallons of water per day, or 15 cubic feet per second, and still anticipates it will increase to 20 cfs.

General Manager Fraser addressed the social media comments that implied that the District had to turn back the flow, he shared that the District did have to turn back the flow to allow for maintenance. He shared that the facilities are not a failure and the District is putting more water than historically has ever been done. He stated that staff was doing a good job in trying to keep modifying techniques as they move forward and it's a collaborative effort in trying to make the facilities work most efficiently.

General Manager Fraser shared that he met with Mr. Jeff Davis, from the San Geronio Pass Water Agency (SGPWA), to discuss the Sites Reservoir and the issue of the counter offer from their agency, in which the District indicated to be interested in purchasing only 4,000 AF of

Class 1 shares. He stated that the SGPWA Board was concerned with the District not sharing the risk for Class 2 shares. He shared that would need to be discussed in more detail with the Board members at a future Board meeting when the SGPWA presents the BCVWD Board with a definite offer.

General Manager Fraser shared that staff has been working collaboratively with the Yucaipa Valley Water District and the City of Banning on the issue of Capacity Fee collection. He stated that two draft agreements were presented at the last SGPWA Board meeting. He shared that the Board indicated some opposition on the structure of the agreements. He also shared that he as an agency will be sending a draft agreement that models the same agreement that was presented to them before and he will be bringing the results to the Board.

General Manager Fraser shared his concerns regarding the SGPWA's lack of desire to allocate water supply to individual agencies in conjunction with collecting the fee. He shared that there are sections of the Water Code SB610 Water Supply Assessment, which says that if you're going to identify a wholesaler to provide water to you, you need to have one of three things in the agreement; water rights, entitlement, or have a contractual arrangement identifying the water supply. He stated that for the District to move forward and be able to issue Will Serve Letters with a level of certainty, the District needs to have such an agreement. He also shared that the SGPWA has also completed their Urban Water Management Plan and they incorporated some of the comments the District had indicated, and they are moving forward with the plan at their next Board meeting.

c. Directors Reports

Director Covington shared that he attended the SGPWA Board meeting. He shared his observations of the discussion of the draft agreement between Calimesa, Yucaipa Valley Water District, and the SGPWA, and shared that there seemed to be a disconnect. He shared that perhaps the process needed to start all over. He suggested having the same players; the City of Calimesa, Yucaipa, SGPWA, and the developers and discuss the issues in a workshop type of meeting, because it just seemed that there was no resolution at the SGPWA Board meeting.

Director Hoffman shared that he has served on the Finance and Audit Committee meeting for the last year. He wanted to commend personnel and management staff for doing an exceptional job during the past year managing the finances during a difficult year in which water sales dropped. He shared that although a difficult year, water rates weren't increased, there was money set aside for the purchase of new water, District equipment is fully paid, there is money set aside in reserves for capital improvement projects, there is restricted cash set aside for Capacity Fees and the District stayed within budget.

Director Ramirez shared the importance of public relations with students on water conservation. He suggested the District reach out to the schools and help educate children on the importance of water conservation. He would like the District to add to what has been started by the District to encourage participation in water conservation education. He would like to see participation in which there is feedback from the students.

Director of Operations Lara updated Director Ramirez and the Board that the District contracts with the Inland Empire Resource Conservation District who conduct K - 12 presentations on the District's behalf. He shared that he and Mr. Bean (BCVWD employee) have also done presentations.

President Slawson shared that he thought it was a good idea and encouraged the continued outreach within budget.

d. Legal Counsel Report

Legal Counsel Markman shared the Ninth Circuit Ruling in favor of Agua Caliente Band of Cahuilla Indians, in which Phase I states the Tribe has reserved rights to groundwater. He shared that he was available to talk to Board members regarding ruling.

11. Announcements

- Beaumont Basin Watermaster meeting, April 5th, 2017 at 10:00 a.m.
- Finance and Audit Committee meeting, April 6th, 2017 at 3:00 p.m.
- Regular Board Meeting, April 12th, 2017 at 7:00 p.m.

President Slawson made the announcements above.

Director Covington reminded the Board that the Engineering Workshop was scheduled for April 6, 2017. The meeting was rescheduled to April 3, 2017 to accommodate all Board member's schedules.

12. Action List for Future Meetings

- Proposition 1 Bond Opportunities
- Pond Maintenance Discussion

President Slawson made the announcements above.

13. Adjournment

President Slawson adjourned the meeting at 8:36 p.m.

Attest:

Director Daniel Slawson, President
to the Board of Directors of the
Beaumont-Cherry Valley Water District

Director John Covington, Vice-President
to the Board of Directors of the
Beaumont-Cherry Valley Water District

FROM: Eric Fraser, General Manager

SUBJECT: Acceptance of Reimbursement From The Joint Powers Insurance Authority (JPIA)

Recommendation

Staff recommends the Board of Directors accept the reimbursement check from the Joint Powers Insurance Authority (JPIA).

Background

JPIA's Director of Insurance Services Karen Thesing will be in attendance at the April 12, 2017 Board of Directors meeting to present the Beaumont-Cherry Valley Water District with a reimbursement check from the Rate Stabilization Fund.

The JPIA is a public entity formed in 1979 by the water agencies of the state of California. Like its members, the JPIA is a special district in the state of California. Its formation and operation are subject to the provisions of the California Government Code, including the Brown Act. It provides risk-sharing pools to meet the needs of its members for property, liability, workers' compensation, and employee benefits coverage.

The JPIA is a partnership of water agencies working together to share the risks associated with purveying water. The risk-sharing pools of the JPIA are a cost-effective form of risk management available only to public entities, allowing them to bypass the high cost of commercial insurance. The coverages provided by this risk-sharing arrangement are unique to water agencies; the water agencies themselves--their directors and managers--have selected and refined these coverages. Not all water agencies are accepted in to the JPIA. Prospective members must demonstrate a commitment to effective risk management programs.

The JPIA is not an insurance agency or carrier. There are no stockholders, no income taxes, no premium taxes, and no property taxes. There is no profit margin, and no sales commissions. Any excess funds, as well as investment income, for a given coverage year are returned to the member agencies instead of being retained as profit. Historically, commercial insurers have entered and left the public entity insurance market like a revolving door, seeking only market share and profit. The JPIA provides a secure, stable and highly cost-effective alternative for protecting the assets, liabilities and employees of public water agencies.

Fiscal Impact

The fiscal impact is a positive effect, ultimately reducing the liability cost of the rate payers by the amount of the JPIA reimbursement, this is due to the District's implementation of sound risk management, policy and procedures, and safety practices.

Prepared by Yolanda Rodriguez, Director of Finance & Admin. Svc.

**Beaumont-Cherry Valley Water District
Regular Board Meeting
April 12th, 2017**

DATE: April 5, 2017

TO: Board of Directors

FROM: Eric Fraser, General Manager

SUBJECT: Consideration of Request for Update of "Will Serve Letter" for New Elementary School District Infill Parcel Associated with Pardee Sundance Community (Originally Deutsch Property "Will Serve and Annexation") (Infill Parcel - Riverside County Assessor's Parcel No. 408-090-013)

Recommendation:

Approve request for update of "Will Serve Letter" for a new elementary school infill parcel associated with Pardee Sundance Community (originally Deutsch Property "Will Serve and Annexation" Letter Dated September 13, 2001). This infill parcel is located at the northeast corner of Cougar Way and Starlight Avenue within the City of Beaumont, CA. also identified as Lot 1 on Tract Map 35574 (attached) and further identified as Riverside County Assessor's Parcel No (APN's) 408-090-013.

Background:

The Applicant (Beaumont Unified School District) has requested an updated "Will Serve Letter" for an **11.99 acre** parcel identified as Riverside County Assessor's Parcel No (APN) 408-090-013. The Applicant is currently in the process of preparing project improvement plans including water improvement plans for the proposed project. The Applicant has indicated that the project is moving towards construction and has therefore requested the District Board of Directors consider providing an updated "Will Serve Letter" for this project.

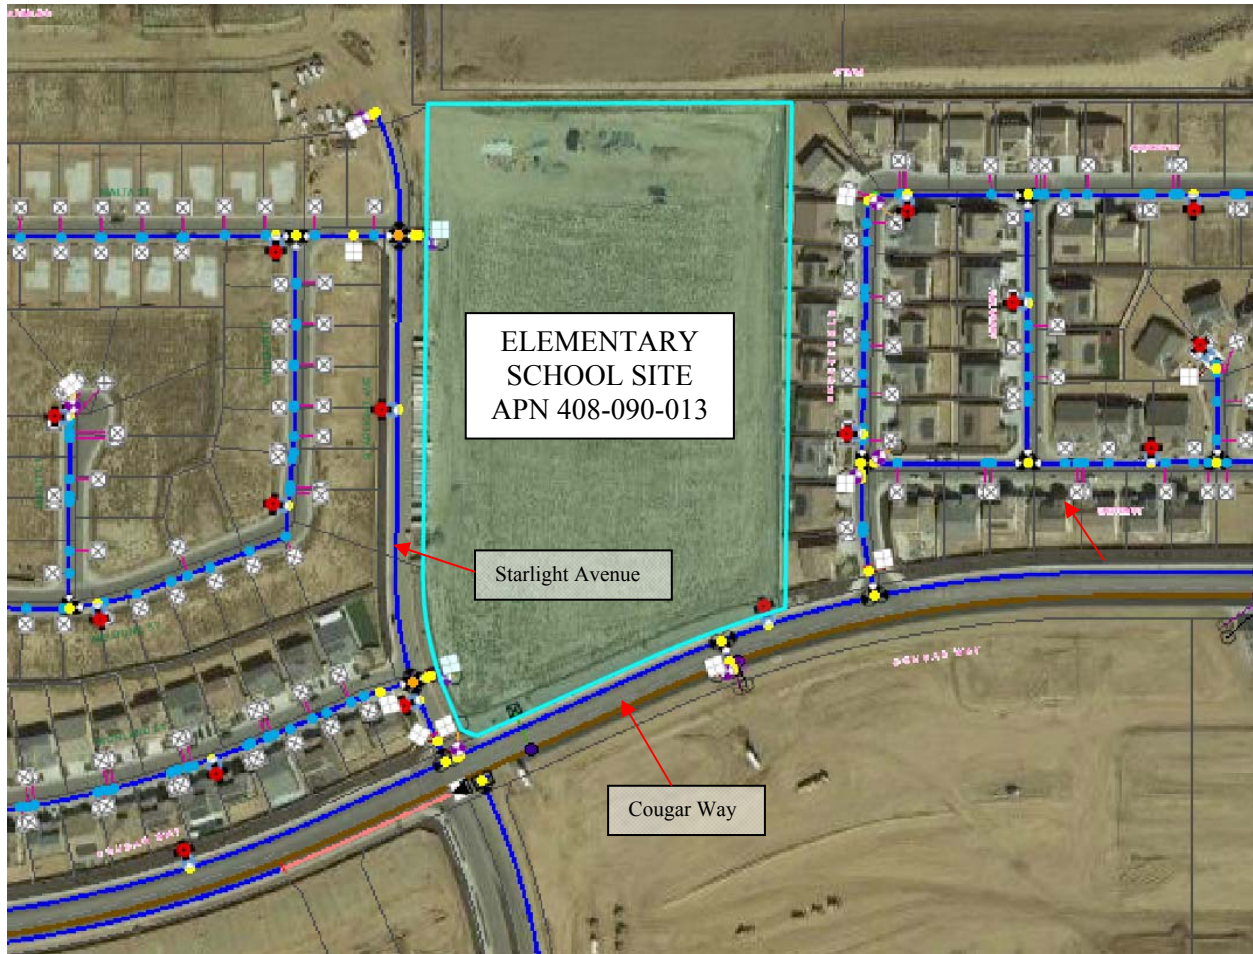

District Staff has identified that this parcel lies within the overall Pardee Sundance North Development and that a current "Will Serve Letter" in effect for the residential development that surrounds the school site. Said "Will Serve Letter" did not consider the demand associated with the school. Based upon these facts, District Staff feels it is appropriate for the Board to consider this specific project.

Information on file at the District shows that this school was included in the original project scope of development as shown in the Project Specific Plan (Deutsch Specific Plan) as well as the Plan of Service to that Specific Plan that was prepared by the District as part of the project annexation process (although the school was originally proposed to be in a different location within the Sundance North community). This project site was annexed into the District Service area through LAFCO Annexation 2005-46-5 in 2006.

Figure 1 below identifies the Project Location:

Figure 1 APN 408-090-013.

The Applicant has provided information related to the proposed development including an overall site plan showing the proposed development of APN 408-090-013, see attached “Overall Site Plan”.

The District has also reviewed the historic consumption other local area elementary schools as well as the proposed development and has estimated the probable water demands for the proposed facilities conservatively as follows:

Table 1 Estimated Domestic Water Demand

Domestic Water Demands	Description	Estimated Average Dom. Water Demand (Gallons Per Day)	Estimated Domestic Water Demand (EDU's)
	Dom. Water Sub Total	2,900 gpd	5.0 EDUs

Table 2 Estimated Non-Potable Water Demand

Landscape Area	Description	Estimated Average Landscape Demand (Gallons Per Day)	Estimated Domestic Water Demand (EDU's)
	Landscape Sub Total	15,660 gpd	27.0 EDUs

Based upon Table 1 and 2 above, the total estimated project water demand is approximately **32.0** Equivalent Dwelling Units (EDUs) or **18,560** gallons per day.

Riverside County Assessor's Parcel Number 408-090-013 is within the District's Service Area Boundary and as stated previously was included in an annexation of a larger set of land parcels which were annexed into the District's Service Area Boundary by Pardee Homes under LAFCO Annexation 2005-46-5 in 2006.

Conditions:

Prior to final project development the following conditions must be met:

1. The Applicant shall enter into a water facilities extension agreement and pay all fees associated with the domestic and non-potable water services for the proposed development. The Applicant shall also pay all fees related to new fire service facilities including any facilities improvements that may be necessary to meet the current City of Beaumont fire protection conditions and/or fire flow requirements.
2. The Applicant shall pay front footage fees along all property frontages where facilities are currently installed, for which fees have not previously been paid as part of the original development proceedings or facilities have not been installed by the developer.
3. The Applicant shall connect to the non-potable water system for irrigation supply. To minimize the use of potable water, the District requires the applicant conform to the City of Beaumont Landscaping Ordinances and Zoning Requirements and/or County of Riverside Landscaping Ordinances (as applicable) which pertains to water efficient landscape requirements and the following:
 - a. Landscaped areas which have turf shall have "smart irrigation controllers" which use Evapotranspiration (ET) data to automatically control the watering. Systems shall have an automatic rain sensor to prevent watering during and shortly after rainfall and automatically determine watering schedule based on weather conditions, and not require seasonal monitoring changes. Orchard areas, if any, shall have drip irrigation.
 - b. Landscaping in non-turf areas should be drought tolerant consisting of planting materials. Irrigation systems for these areas should be drip or bubbler type.
4. The Applicant shall prepare water improvement plans, recycled water improvement plans, and a recycled water use exhibit in accordance with current District Standards showing all required domestic water system and non-potable water system improvements. Said plans shall be approved by the District prior to construction.
5. The Applicant shall conform to all District requirements and all City of Beaumont requirements.

Fiscal Impact:

There will be no fiscal impact to the District as all the fees and deposits will be paid for by the Applicant.

Prepared by Daniel K. Jagers, Director of Engineering

OVERALL SITE PLAN

**Beaumont-Cherry Valley Water District
Regular Board Meeting
April 12th, 2017**

DATE: April 6, 2017

TO: Board of Directors

FROM: Eric Fraser, General Manager

SUBJECT: Consideration of Request for "Will Serve Letter" for Tract No. 33680 (Riverside County Assessors No. 414-142-038) for a new residential development within Beaumont California.

Recommendation:

Consideration of request for "Will Serve Letter" for Tract Map 33680 (Riverside County Assessors No. 414-142-038) for a new residential development within Beaumont California selecting one of the following four options:

1. Approve the Applicant's request for "Will Serve Letter".
2. Consider the Applicant's request for "Will Serve Letter" to be an update request due to the fact that the District previously reviewed and approved the project Water Improvement Plans.
3. Defer the Applicant's request for "Will Serve Letter" until the original "Will Serve Letter" can be produced by the Applicant or all file research on the Applicant's part is completed.
4. Deny the applicants request for water service.

Background:

Refer to the Applicant's (Desert Pass, LLC / John A. Russo) attached request for an update to an existing "Will Serve Letter" For Tract Map 33680.

Tract 33680 consists of 23 single family homes proposed to occupy an existing infill lot within the City of Beaumont, CA. This project site is shown on Figure 1 – 1109 Elm Street, Riverside County Assessors No. (APN) 414-142-038. This property is within the District's Service Area Boundary.

The Applicant, John Russo, submitted plans (attached) in March 2017 which were prepared by his Engineer (HL Development Engineering and Surveying) and approved by the District on October 2, 2007. District files support the fact that these plans were plan checked by the District's Consultant (Parsons Engineering) between November 2006 and February 2007. As part of the project review process and in accordance with Board Direction, District Staff typically secures the original "Will Serve Letter" for all projects for inclusion in the Staff Report related to the "Will Serve Letter" update, however, Staff was unable to find a "Will Serve Letter" request by the Applicant or approval information regarding an original "Will Serve Letter" for this project.

In addition to review of the project files, Staff worked with the Applicant to identify the time period when this project might have been presented to the District Board of Directors. Said time period ranged between May 2004 (when the developer purchased the project land parcel) and October 2007 (when the District signed the Project Water Improvement plans). Staff reviewed the District Board Meeting minutes during that time period, but was unable to find reference to said project in the minutes.

Based upon these facts, it is apparent that the project water improvement plans were reviewed and approved by the District, however, it is not clear if a previous "Will Serve Letter" was requested by the Applicant or approved by the Board of Directors. As stated previously, District Staff has been unable to locate information related to the Applicant's (or the Applicant's Engineer) request for service from the District in existing District Files.

At this time, it appears that there are four options available to the District regarding approval of project water service ("Will Serve Letter").

1. Approve the Applicant's request for "Will Serve Letter"
2. Consider the Applicant's request for "Will Serve Letter" to be an update request due to the fact that the District previously reviewed and approved the project Water Improvement Plans
3. Defer the Applicant's request for "Will Serve Letter" until the original "Will Serve Letter" can be produced by the Applicant or all file research on the Applicant's part is completed.
4. Deny the applicants request for water service.

Conditions of Development:

During the continued project development the following conditions must be met:

1. The Applicant shall enter into a water facilities extension agreement and pay all fees associated with the domestic water services. The Applicant shall also pay all fees related to new fire service facilities including any facilities improvements that may be necessary to meet the fire flow requirements.
2. The Applicant shall resubmit plans for update and subsequent District approval to show all existing easements, existing utilities, and to ensure the project meets current District Requirements.
3. To minimize the use of potable water, the District requires that the applicant conform to the City of Beaumont and/or the County of Riverside Landscaping Ordinances which pertains to water efficient landscape requirements and the following:
 - a. Landscaped areas which have turf, shall have "smart irrigation controllers" which use Evapotranspiration (ET) data to automatically control the watering. Systems shall have an automatic rain sensor to prevent watering during and shortly after rainfall. Automatically determine watering schedule based on weather conditions, and not require seasonal monitoring changes. Orchard areas, if any, shall have drip irrigation.
 - b. Landscaping in non-turf areas should be drought tolerant consisting of planting materials similar to that at the District's demonstration garden at the Groundwater Recharge site. Irrigation systems for these areas should be drip or bubbler type.

4. The Applicant shall conform to all District requirements and all City of Beaumont requirements.

Fiscal Impact:

There will be no fiscal impact to the District as all the fees and deposits will be paid for by the Applicant.

Prepared by Daniel K. Jagers, Director of Engineering

BEAUMONT CHERRY VALLEY WATER DISTRICT
RIVERSIDE COUNTY, CALIFORNIA

Approved By: *J. Reichenberger* Date: 10/1/07
J.C. REICHENBERGER
District Engineer
R.C.E. 18034

WATER NOTES:

- ALL WORK SHOWN ON THESE PLANS SHALL BE PERFORMED IN ACCORDANCE WITH THE "DISTRICT STANDARDS FOR THE FURNISHING OF MATERIALS AND THE CONSTRUCTION OF WATER AND RECYCLED WATER FACILITIES", LATEST REVISION, AND THE ADOPTED REVISIONS THERETO.
- WORK SHALL BE PERFORMED BY A CONTRACTOR LICENSED IN THE STATE OF CALIFORNIA, EXPERIENCED IN WATER UTILITY CONSTRUCTION.
- CONTRACTOR SHALL OBTAIN CONSTRUCTION PERMIT FROM THE DISTRICT AND PAY INSPECTION AND VALVE COVER DEPOSIT PRIOR TO CONSTRUCTION.
- UNLESS OTHERWISE INDICATED, ALL PIPES SHALL BE CEMENT MORTAR LINED DUCTILE IRON PIPE, MINIMUM PRESSURE CLASS 150 WITH PUSH-ON JOINTS.
- FOR SEPARATION REQUIREMENTS BETWEEN WATER AND RECYCLED WATER, STORM DRAIN, AND SEWER LINES, SEE RIVERSIDE COUNTY STD. NO. 609, AND STATE OF CALIFORNIA DEPARTMENT OF HEALTH SERVICES GUIDANCE MEMO NO. 2003-02, DATED OCTOBER 16, 2003.
- CONTRACTOR SHALL CONTACT UNDERGROUND SERVICE ALERT OF SOUTHERN CALIFORNIA (TELEPHONE NO. 1-800-227-2600) FOR LOCATION OF ALL UNDERGROUND UTILITIES, TWO WORKING DAYS PRIOR TO COMMENCING WORK.
- CONTRACTOR SHALL OBTAIN NECESSARY PERMITS FROM CITY OF BEAUMONT AND/OR RIVERSIDE COUNTY, AS APPROPRIATE, PRIOR TO CONSTRUCTION.
- ALL FIRE HYDRANTS SHALL BE TYPE JONES 3765, 6" X 4" X 2.5" X 2.5", INSTALLED IN ACCORDANCE WITH DISTRICT STANDARD PLATE NO. 1-1 (1-2).
- CONTRACTOR SHALL NOTIFY THE DISTRICT AT (951) 845-9581 TWO WORKING DAYS PRIOR TO COMMENCING WORK ON THE WATER UTILITY INSTALLATION. CONTRACTOR SHALL NOTIFY THE DISTRICT BY PRECEDING WEDNESDAY AT 4:00 PM PRIOR TO WORKING DURING THE WEEKEND. CANCELLATIONS SHALL BE NOTIFIED TO THE DISTRICT BY PRECEDING FRIDAY AT 3:00 PM.
- NO EXISTING DISTRIBUTION SYSTEM VALVE SHALL BE OPERATED BY THE CONTRACTOR. DISTRICT PERSONNEL WILL OPERATE ALL NECESSARY VALVES.
- NO DEVIATION FROM THESE PLANS SHALL BE PERMITTED WITHOUT THE APPROVAL OF THE DISTRICT.
- EXISTING WATER MAINS SHALL NOT BE TAKEN OUT OF SERVICE FOR MORE THAN 4 HOURS. CONTRACTOR SHALL NOTIFY ALL WATER USERS AFFECTED BY THE SHUTDOWN, A MINIMUM OF 48 HOURS PRIOR TO THE ACTUAL SHUTDOWN. INDICATE THE DATE AND PRECISE HOUR THAT THE MAIN WILL BE TAKEN OUT OF SERVICE.
- FIRE FLOW FOR THIS PROJECT IS 1000 GPM AT 20 PSI RESIDUAL.
- CONTRACTOR SHALL CONFORM TO THE STREET EXCAVATION REPLACEMENT STANDARDS OF THE CITY OF BEAUMONT OR RIVERSIDE COUNTY WHICHEVER HAS JURISDICTION.
- CONTRACTOR SHALL NOTIFY THE DISTRICT AT (951) 845-9581, TWO WORKING DAYS PRIOR TO PLACEMENT OF CONCRETE FOR SIDEWALKS.
- AIR VACUUM RELEASE ASSEMBLIES PER DISTRICT STANDARD PLATE NO. 5-1 AND 5-2 SHALL BE INSTALLED AT ALL HIGH POINTS ON THE WATER MAIN. ADDITIONAL ASSEMBLIES OVER THOSE SHOWN ON THE DRAWINGS MAY BE NECESSARY WHEN THE SUBSTRUCTURES REQUIRE A CHANGE IN LINE OR GRADE OF THE WATER LINE.
- CONTRACTOR TO INSTALL MINIMUM 1" COPPER, TYPE K, SERVICE LATERALS IN ACCORDANCE WITH DISTRICT SPECIFICATIONS SHOWN ON DISTRICT STANDARD PLATE 6-2, PLATE 6-3 AND PLATE 12.
- CONTRACTOR SHALL COORDINATE ALL RECONNECTS WITH DISTRICT PERSONNEL PRIOR TO ANY CONNECTIONS OR RETIREMENTS OF ANY DISTRICT FACILITIES.
- CONTRACTOR SHALL RESTRAIN ALL JOINTS AT TEES, ELBOWS, DEAD ENDS, ETC. AS INDICATED ON THE PLANS, AS A MINIMUM. SEE CONSTRUCTION GENERAL NOTE 6 ON SHEET 2.
- CONTRACTOR SHALL BEAR ALL COSTS FOR THE CORRECTION OR REMOVAL AND REPLACEMENT OF DEFECTIVE WORK, AND ALL ADDITIONAL DIRECT AND INDIRECT COSTS THE CITY, COUNTY OR DISTRICT MAY INCUR ON ACCOUNT OF DEFECTIVE WORK, INCLUDING THE COSTS OF ADDITIONAL ADMINISTRATIVE, PROFESSIONAL CONSULTANT, INSPECTION, TESTING, AND OTHER SERVICES.
- CONTRACTOR SHALL INSTALL BLUE RETROREFLECTIVE PAVEMENT MARKERS IN ACCORDANCE WITH THE RIVERSIDE COUNTY FIRE DEPARTMENT "GUIDELINES FOR FIRE HYDRANT MARKINGS" LATEST REVISION AND DETAIL "A" SHEET NO. 4.
- ALL FIRE HYDRANT BARRELS TO BE CHROME YELLOW WITH TOPS AND NOZZLE CAPS PAINTED WITH THE FOLLOWING CAPACITY-INDICATING COLOR SCHEME: CLASS-A GREEN.
- ALL PIPE SHALL BE HYDRO TESTED, DISINFECTED AND APPROVED PRIOR TO FINAL CONNECTION TO EXISTING WATER LINES.
- ALL MATERIALS SHALL BE OF DOMESTIC ORIGIN AND NOT OF FOREIGN MANUFACTURE.
- CONTRACTOR SHALL FURNISH TO THE DISTRICT ELECTRONIC FILES IN AUTOCAD FORMAT OF THE SIGNED AND APPROVED "RECORD DRAWINGS" AND GIS DIGITAL DATA DEFINITION TABLES, PER DISTRICT STANDARDS, PRIOR TO FINAL ACCEPTANCE OF THE WORK.
- CONTRACTOR SHALL FURNISH TO THE DISTRICT COPIES OF ALL SOIL COMPACTION TEST REPORTS FOR THE INSTALLED WATER MAINS PRIOR TO HYDRO TESTING OF PIPELINES.
- CONTRACTOR SHALL FURNISH TO THE DISTRICT INTERSECTION TIE PLATES IN ACCORDANCE WITH DISTRICT STANDARD PLATE NO. D-2 FOR ALL VALVE LOCATIONS PRIOR TO FINAL ACCEPTANCE OF THE WORK.
- ALL DRY-UTILITIES SHALL BE LOCATED ON OPPOSITE PROPERTY LINE FROM WATER SERVICE LATERAL OR NO CLOSER THAN 2' FROM ANY WATER SERVICE LATERAL.

SEE SHEET 2 FOR CONSTRUCTION GENERAL NOTES

CONSTRUCTION NOTES & ESTIMATES OF QUANTITIES

①	INSTALL 8" DIP (CLASS 150), BACKFILL AND BEDDING PER BCVWD STANDARDS PLATE 6 (36" MIN COVER)	774 L.F.
②	INSTALL TYPE JONES 3765 6" X 4" X 2.5" X 2.5" FIRE HYDRANT ASSEMBLY (CLASS-A RATED) PER BCVWD PLATE NO. 1-1 (1-2)	6 EA.
③	INSTALL 8"-45" BENDS, RESTRAINED	2 EA.
④	INSTALL 2" AIR RELEASE AND VACUUM VALVE ASSEMBLY PER BCVWD PLATE NO. 5-1 AND PLATE NO. 5-2	1 EA.
⑤	REMOVE 8" END CAP	2 EA.
⑥	INSTALL BLUE REFLECTIVE FIRE HYDRANT MARKERS PER DETAIL "A" ON SHEET No. 4	7 EA.
⑦	INSTALL 1" COPPER SERVICE LINE, TYPE K, PER BCVWD PLATE NO. 6-2, PLATE 6-3, PLATE 12 AND DETAIL "B" ON SHEET No. 4	24 EA.
⑧	INSTALL 4" BLOW OFF PER BCVWD PLATE NO. 3	1 EA.

SHEET
1
OF 4 SHEETS
DRAWING NAME:
33680WP.TB.DWG
FILE NO.:

CONSTRUCTION NOTES

1. INSTALL 8" DIP (CLASS 150) BEDDING PER BCVD STANDARDS PLATE 6 (36" MIN. COVER).
2. INSTALL TYPE JONES 3765, 6"x 4"x2.5" WET BARREL FIRE HYDRANT ASSEMBLY (CLASS-A RATED) PER BCVD PLATE NO. 1-1 (1-2)
3. INSTALL 8" 45° BEND, RESTRAINED
4. INSTALL 2" AIR RELEASE AND VACUUM VALVE ASSEMBLY PER BCVD PLATE NO. 5-1 & 5-2
5. REMOVE 8" END CAP
6. INSTALL BLUE RETROREFLECTIVE FIRE HYDRANT MARKERS PER DETAIL "A" SHEET 4
7. INSTALL 1" COPPER SERVICE LINE, TYPE K, PER BCVD PLATE NO. 6-2, PLATE 6-3 PLATE 12 AND DETAIL "B" ON SHEET No. 4

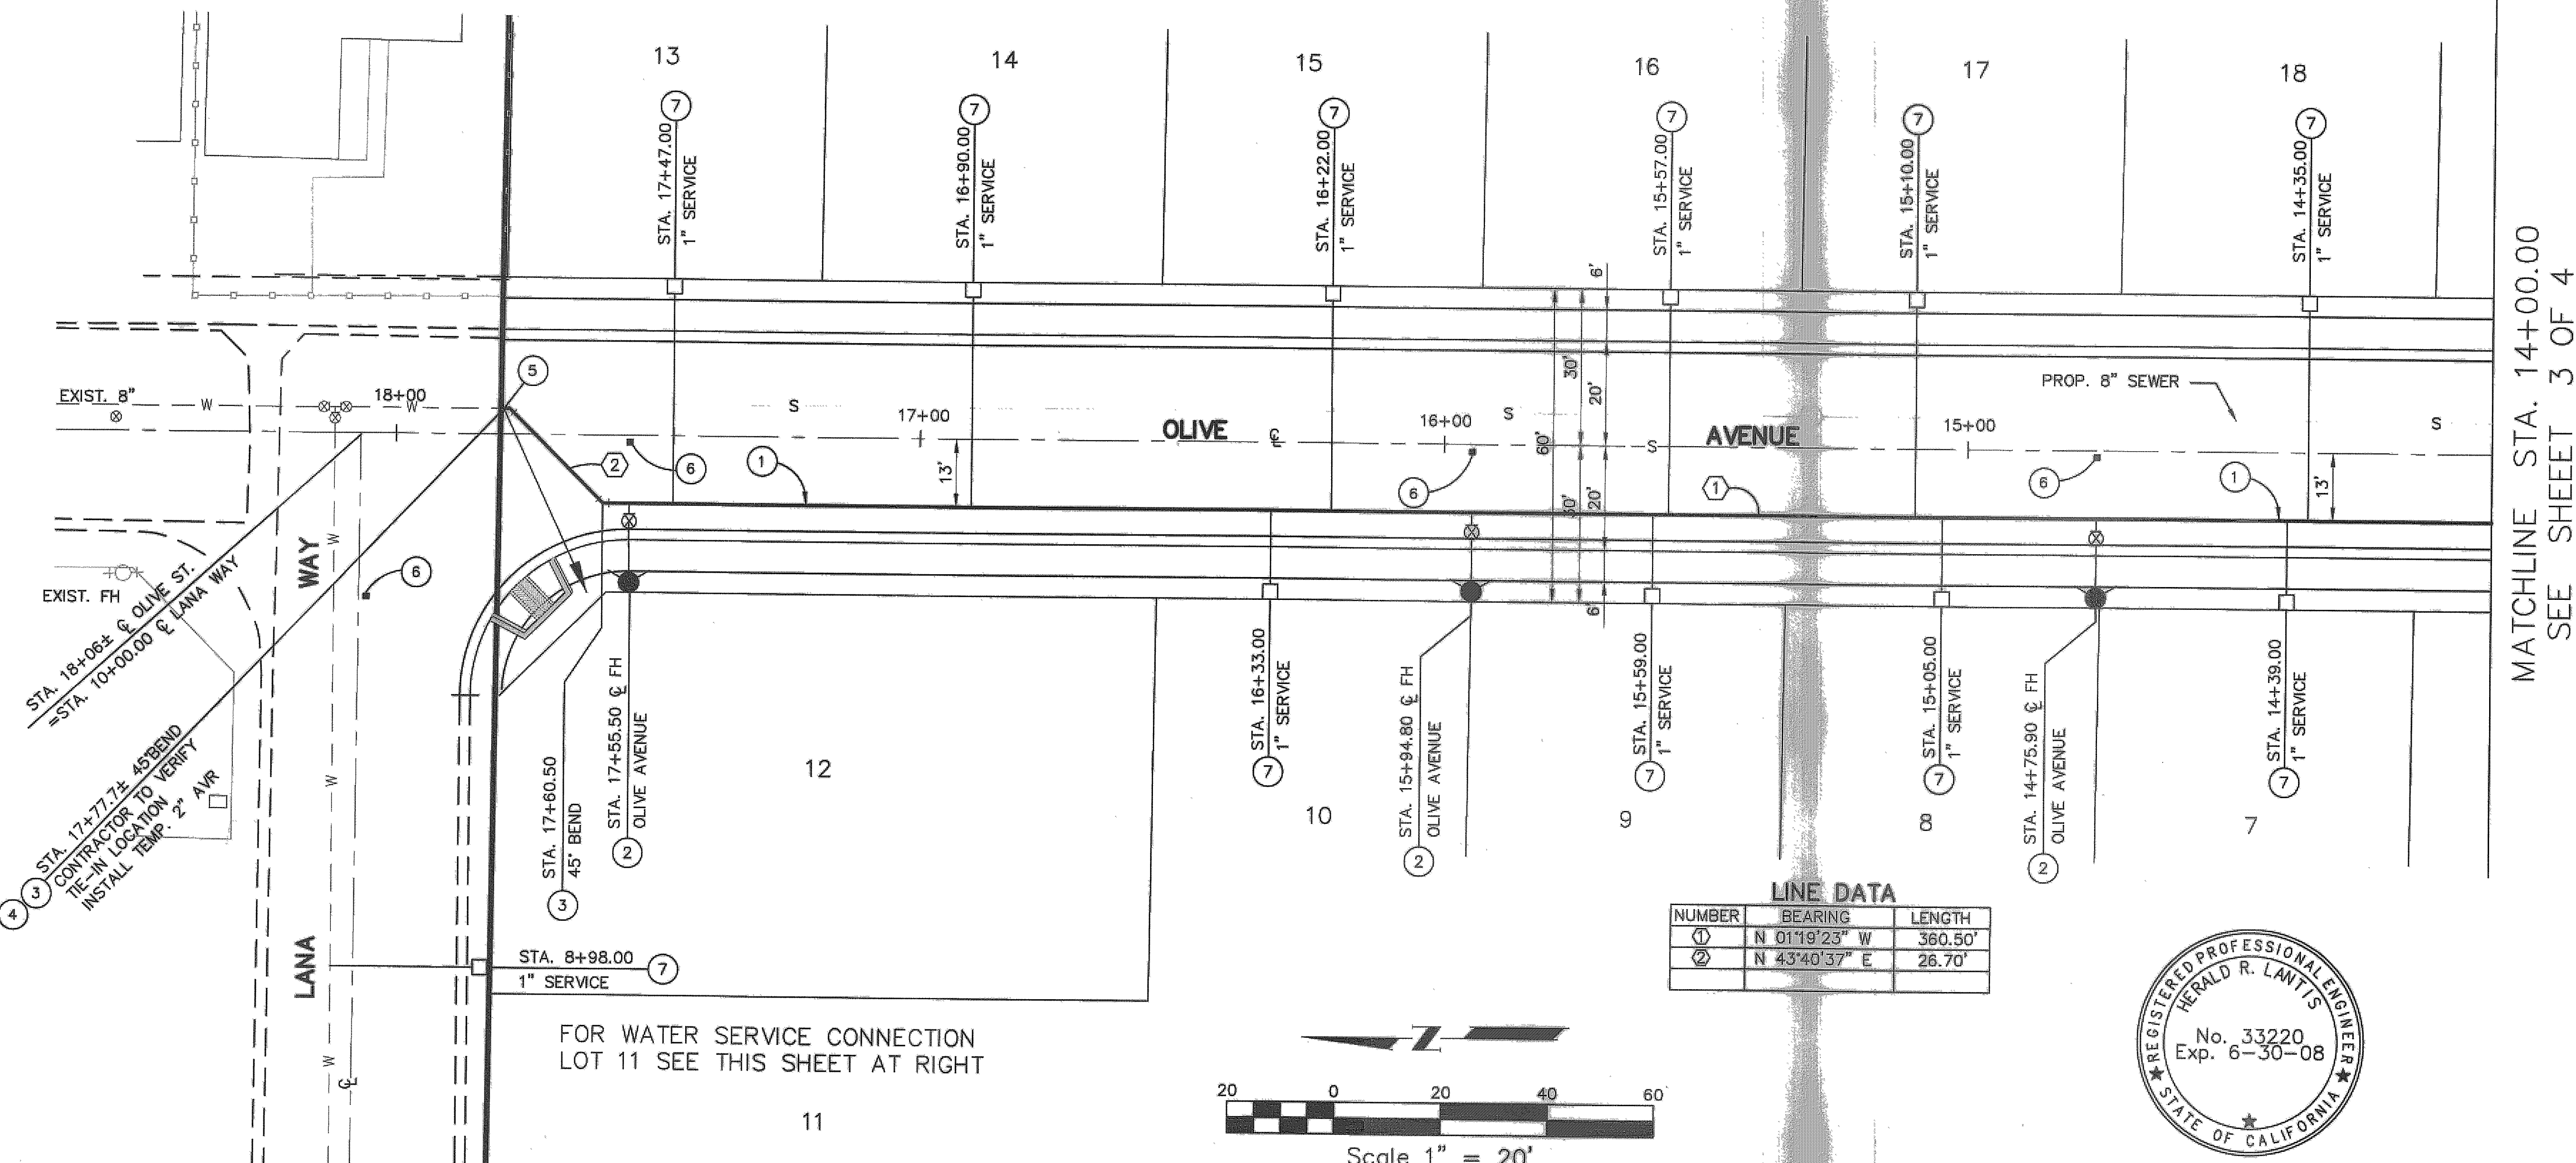

CONSTRUCTION GENERAL NOTES:

1. ALL MECHANICAL FITTINGS TO BE RESTRAINED.
2. ALL HYDRANT TEES TO BE FLENGED WITH FLG X MJ ADAPTERS.
3. ALL JOINTS TO BE RESTRAINED SHALL BE WITH U.S. PIPE, "FIELD-LOK 350" GASKETS OR DISTRICT APPROVED EQUAL.
4. ALL HYDRANT, DRAIN AND BLOW-OFF PIPE LATERALS SHALL HAVE RESTRAINED JOINTS.
5. BASIS OF WATER LINE STATIONING SHALL BE ALONG STREET CENTERLINE.
6. INSTALL RESTRAINED JOINTS (TWO PIPE LENGTHS) BEFORE AND AFTER ALL TEES, CROSSES AND ELBOWS (HORIZONTAL AND VERTICAL) AS A MINIMUM.
7. ALL PROPOSED 4 INCH BLOW-OFFS AND AIR VACUUM VALVE ASSEMBLIES AT INTERFACE CONNECTIONS ARE TEMPORARY.
8. DOMESTIC WATER MAIN SHALL BE MINIMUM PRESURE CLASS 200 DIP UNDER STORM DRAIN CROSSINGS. A 20' LENGTH OF DIP SHALL BE CENTERED UNDER STORM DRAIN SUCH THAT NO WATER MAIN JOINTS ARE WITHIN 4' OF THE OUTSIDE DIAMETER OF THE STORM DRAIN. THE VERTICAL CLEAR SEPARATION SHALL BE MINIMUM OF 1 FOOT.
