

BEAUMONT-CHERRY VALLEY WATER DISTRICT

DANIEL K. JAGGERS

General Manager

October 16, 2017

Promoted to the position of General Manager of the Beaumont-Cherry Valley Water District in October 2017, Dan Jagers brings more than 25 years of professional experience to the District. Prior to this appointment, Mr. Jagers served BCVWD for more than five years as Director of Engineering, overseeing long-range planning, capital improvements, and project design on local and regional levels.

As General Manager, Mr. Jagers directs the activities of the District, moving the District toward its goals while maintaining consistency with the District's mission and vision. Mr. Jagers provides leadership based on the direction set by a five-member elected Board of Directors, and manages operations, strategic planning, and policy implementation.

Mr. Jagers' experience as Director of Engineering for BCVWD garnered him the internal knowledge and proficiency to guide and manage the District. He directed and participated in Engineering Department goals and operating policies, provided direction to managers and coordinated all issues needing Board approval or policy direction from the Board of Directors.

A resident of the inland empire for more than 26 years, Dan brings local knowledge and experience to the District. He served as a Senior Engineer at Desert Water Agency, and spent 18 years in the private sector as a Senior Engineering Consultant with Krieger & Stewart, Inc. where he focused on all aspects of public facilities planning, design and construction service including full support services for small to large public infrastructure projects for water, recycled water, wastewater, storm water, site development, and street improvements. From planning, design and construction project management, Mr. Jagers' experience is high level and varied.

Dan's combination of public and private experience make him an asset to BCVWD.

Mr. Jagers graduated from Ohio State University with a Bachelor of Science in Civil Engineering. He is a Registered Civil Engineer in the State of California and has developed a reputation for trustworthiness, positivity, passion and professionalism.
