

NOTICE INVITING BIDS RECEIPT AND OPENING OF BIDS Sealed bids will be received only at the Beaumont Cherry Valley Water District (Owner), 560 Magnolia Avenue, Beaumont, California 92223, Telephone (951) 845-9581 until **3 p.m.** local time on **Tuesday May 7, 2019** for **Well Nos. 4A, 10 and 18 Well and Well Pumping Unit Rehabilitation and Repair.**

Work: The work consists of well pumping unit rehabilitation at three (3) District well sites. The sites are located within the District's Service Area and are specifically located in the Community of Cherry Valley.

Well No. 4A is located on Edgar Canyon Road and is further detailed in Exhibit A of the complete bid package. The Well 4A site will require site specific work related to components of well pumping unit repair and or replacement and well rehabilitation.

Well No. 10 is located on oak Glen Road and is further detailed in Exhibit A of the complete bid package. The Well 10 site will require site specific work related to components of well pumping unit repair and or replacement and well rehabilitation.

Well No. 18 is located on oak Glen Road and is further detailed in Exhibit A of the complete bid package. The Well 18 site will require site specific work related to components of well pumping unit repair and or replacement and well rehabilitation.

The work shall be performed by a single contractor under a single contract. Prevailing wages will be in effect for this work and costs must be in compliance with State Labor Code as listed in the project agreement. A PDF copy of the complete bid package is available on the District Website at www.BCVWD.org. Alternatively, a copy of the complete bid package is available upon on request from the District's Engineering Department. A charge of \$10.00 will be made for each hard copy of each bid package requested.

Bids will be publicly opened and read aloud at the place and time stated above. Bidders are invited to be present. Bidders may examine the Contract Documents at Beaumont Cherry Valley Water District, 560 Magnolia Avenue, Beaumont, California, 92223.

Bidders shall be licensed in accordance with provisions of Chapter 9, Division 3, of the Business and Professional Code of the State of California on the date and at the time of submittal of the Bid. Required classifications are: Class A, General Engineering; C-57, Well Drilling; or D-21, Machinery and Pumps. Bidders shall have verifiable experience in similar work. Bidders and their sub-contractors shall also be registered to perform public work pursuant to Section 4104 of the public contract code with the State of California, Department of Industrial Relations.

Bidders must comply with and agree to all instructions and requirements in this notice and in the Request for Proposal. All Bids must be submitted on the Prescribed Bid Form. The successful Bidder shall furnish insurance in accordance with the Request for Proposals before execution of the Contract Agreement. A mandatory pre bid tour of the three (3) project site(s) may be arranged with the District's Assistant Director of Operations, James Bean. Do not proceed directly to the project sites.

Owner reserves the right to reject any and all proposals, to waive any irregularity, or to award a Contract to other than the lowest bidder. If Owner elects to award a contract for the Work, the award will be made within 30 days from the date of the bid opening. Bids shall be valid for said 30 day period.
