Public Comment:

Mr. Jake Knight reported that a BCVWD contractor hit a gas line and caused inconvenience to his family. He expressed concern that there is not a protocol in place to identify buried gas lines and other utilities before work happens, and that the contractor used by BCVWD did not have signage or resources to block the road. He also commented on the degree of hazard exposure to him and his neighbors as related to this contractor's bidding on future contracts. He asked how the public can find out who the contractors were, the bid acceptance, and past history. General Manager Dan Jagers responded that he will contact Mr. Knight.
