

Division 1

Andy Ramirez
Vice President

Beaumont-Cherry Valley Water District Board Member

Andy Ramirez has been a Beaumont-Cherry Valley Water District board member since 2016. He is an experienced public servant and currently serves as a Deputy Director of Public Works for a local agency. Vice President Ramirez enjoys simplifying organizational complexities, improving operational and budgetary efficiencies, and building cohesive teams. Mr. Ramirez has a Master's in Public Administration and graduated with the highest honors from California Baptist University. He resides with his wife and children in Beaumont, California.

Dedication to progress

As a board member, Vice President Ramirez has ensured that policies bring about successful projects such as six water conservation projects; a cooperative agreement for recycled water; securing \$1.5 million in federal grants for meter improvements; and starting the construction of the Beaumont MDP Line 16 Project, a joint project between the Riverside County Flood Control and Water Conservation District (RCFC&WCD) and the Beaumont-Cherry Valley Water District (BCVWD). This project aims to protect the Cherry Valley community from a flood. It will help offset the need for imported water by conveying stormwater to the Noble Creek Recharge Facility and recharging the Beaumont Groundwater Management Zone. Additionally, Mr. Ramirez advocated for area residents who lost income due to COVID-19 to seek rent and utility support through the United Lift Rental Assistance Program.

Professional Experience

Mr. Ramirez began his career in the water industry in the late 1990s, installing water and sewer pipelines. His diverse experience continued into the public sector as an executive advisor to the City of Hemet Fire Chief, a Management Analyst in the City Manager's office for the City of San Jacinto, and managing operations for the City of San Bernardino. For over a decade, Mr. Ramirez has served in municipal government. He has enjoyed collaborating with local agencies and intergovernmental committees such as the Western Riverside Council of Governments (WRCOG). He and his family currently volunteer their time at their local church.
