

## **RESOLUTION 2023-01**

### **A RESOLUTION OF THE BOARD OF DIRECTORS OF THE BEAUMONT - CHERRY VALLEY WATER DISTRICT ADOPTING MISCELLANEOUS FEES (ADMINISTRATIVE COST RECOVERIES) EFFECTIVE JANUARY 12, 2023**

**WHEREAS**, the Beaumont-Cherry Valley Water District (District) is authorized, pursuant to California Water Code 31007, to fix, prescribe, revise and collect fees and charges so as to yield an amount sufficient to pay the operating expenses of the District, provide for repairs and depreciation of works owned and / or operated by the District, pay the interest on any bonded debt, and provide a fund for payment of the principal of the bonded debt as it becomes due; and

**WHEREAS**, the Board of Directors has determined that District staff provides many types of services involving requests by customers and the District imposes service fees and deposits upon customers to recover the costs of staff time and other administrative expenses related to providing these services; and

**WHEREAS**, current fees and charges do not adequately recoup the District's costs of providing certain services and thus, a significant amount of those costs are currently paid from the District's general fund, and therefore are borne by the ratepayers; and

**WHEREAS**, the District finds that providing these services is of special benefit to those customers both separate and apart from the general benefits to the public, and therefore, in the interest of fairness, the District desires to better recover the costs of providing those services from customers who have sought said services by revising its Schedule of Miscellaneous Fees (Administrative Cost Recoveries); and

**WHEREAS**, the Board of Directors of the Beaumont-Cherry Valley Water District adopted at its meeting of December 14, 2022 the 2022 Miscellaneous Fees Update Report prepared and submitted by Raffetis Financial Consultants dated October 27, 2022 as its guideline for maximum fee recovery; and

**WHEREAS**, the Board of Directors of the Beaumont-Cherry Valley Water District adopted at its meeting of December 14, 2022 Policy 5031 User Fee Cost Recovery, indicating that full cost recovery is not always appropriate; and

**WHEREAS**, Beaumont-Cherry Valley Water District provided notice of a public hearing and written notice was provided to interested parties who filed written requests for mailed notice of meetings on new or increased development-related fees or service charges; and

**WHEREAS**, the Board of Directors conducted a public hearing for the purpose of considering the adoption of a revised schedule of miscellaneous fees and charges,
